

The North Dakota Driver and Traffic Safety Education Association is a professional organization for driver and traffic safety educators that promotes safe habits, attitudes, knowledge and instructional tools to develop driving skills for teen drivers.

Executive Committee Fall Meeting

The NDDTSEA held an Executive Committee meeting October 19, 2017. The committee discussed the ADTSEA Conference that was held in Sacramento, CA. There was discussion on the online Playbook, road test waiver, legislative updates, Bylaw change, and the Administrative Guide updates. The rest of the meeting was the planning of the annual NDDTSEA Conference. Go to the [NDDTSEA](#) website to view the activities for the conference planning. Plus you can view the October minutes for more information on the meeting.

Conference Attendees

It is so important to attend the conference annually in order to stay up-to-date with the latest driver education information. Also for those that do attend it is important to stay the entire conference. A lot of work and dedication goes into bringing presenters to the conference to share their knowledge with the attendees to help you improve your classes for yourself and for your students. If you have recommendations about the conference please contact your Executive Committee and give them your suggestions on how to improve the conferences. Or if you want specific topics and/or presenters please share with your conference committee, Jim Keller, Jon Dondoneau, Becky Hardy, and Carol Thurn.

Conference

You won't want to miss the conference this year. We have secured some great presenters with topics of interest this year.

Some topics that will be presented this year are:

- Vision Zero
