Executive Committee Fall Meeting

The NDDTSEA held an Executive Committee meeting October 19, 2018. The committee discussed the ADTSEA Conference that was held in Chicago, IL. Dale Ludwig received the National Teacher of Excellence award. Go to the [NDDTSEA](#) website to view the activities for the conference and the October minutes for more information on the meeting.

Conference Attendees

It is so important to attend the conference annually in order to stay up-to-date with the latest driver education information. If you have recommendations about the conference please contact your Executive Committee and give them your suggestions on how to improve the conferences. Or if you want specific topics and/or presenters please share with your conference committee, Jim Keller, Jon Dondoneau, Becky Hardy, and Carol Thurn. This year there will be a suggestion box at the conference for those that do not want to talk directly to the committee members. Please put your suggestions for conference ideas and if you have an interest in being part of the NDDTSEA Executive Committee or Subcommittee.

Legislative Bills

NDDTSEA is following several bills this legislative session. SB 2156, SB 2157, SB 2158 and SB 2060. Jim Keller gave testimony on the first 3 bills and submitted a letter of support for SB 2060. To follow these bills click [HERE](#).
